Farmhouses immersed in nature, all inclusive holiday clubs, hotels and fascinating, classy residences for those who enjoy watching the world from a different perspective.

Basilicata is a place you do not expect. It is a region of wide horizons and deep silences.

The landscape here has its own ancestral and harmonious beauty, unspoilt places that seem to have been preserved by time.

Nature reserves, ancient culture, folk traditions in every small town, the genuine cuisine, made of simple tastes and distinctive aromas.

Mediterranean, and above all the warmth and hospitality of the people. All this will capture you with unforgettable emotions.

Along every path you will find a story; with each story an emotion; after every emotion you will have a place to remember.

THE WALKING HOTELS AND THE SERVICES OFFERED

The hotels provide telescopic walking sticks, warehousing, tourist information brochures and a healthy breakfast

Step by step
the sun is approaching
let your breath follow
the beating of your heart.
In eyes and mind
the feeling of your breath
on the breeze
caressing the face,
this gives a feeling of exhilaration,
that leaves one breathless.
The beauty of the world gets inside of
you and it saves you,
seen on foot,
seen standing,
seen at the foot of the nature
it surprises and amazes you
giving you the next dream of freedom.
